

Welcome to the **Calendar** app !

Functionality :

As the manager :

- ✓ To login use the credentials:
Name: Daniel
Email: kieras@gmail.com
Password: secret
- ✓ You can add and delete employees.
- ✓ There may be no more than one employee with the same surname.
- ✓ In the calendar view, you can see a table showing the colors of employees **not** working on a given day.

As an employee :

- ✓ To login use the credentials of already existing employee.
- ✓ You can schedule meetings with clients.
- ✓ You can't add the appointment for the weekend.
- ✓ Only one appointment can be added per day.
